NAME Steel S.S. "BULGARIAN". Rpt. Lon. No83744

marks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

"The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey

This vessel was built in 1904 and classed with Germanischer Lloyd.

The London Surveyors now report the vessel has been examined generally afloat as far as practicable.

The Owners' Representative stated that it was intended to submit the vessel to a classification survey at an early date. From the examination now made the Surveyors are of opinion the vessel appears to be in a fit condition to run for a further period of six months from November 1920.

It is submitted notation of Lon.11.20 be assigned.
