

Extract from letter dated 26th October, 1939,
from Mr. Wilson, of the Shipping Department,
Anglo-American Oil Company, Ltd.,
36, Queen Anne's Gate,
LONDON, S.W. 1.

Refce: 43/2

(Original with Mr. Sladden).

With regard to the notices relating to the
loss of the "KENNEBEC" and "CHEYENNE", I gather you are
now making the simple notation "SUNK", and we have no
objection to this. I sincerely trust there will be no
more notices to make so far as our vessels are concerned.
