

"CITY OF KHARTOUM"

Lon.102410

The Special Survey No.2 became due on this vessel 2,34 and the Boiler Survey 12,34.

The vessel has been sold to Italian buyers for breaking up.

The London Surveyors report they have generally examined the vessel's machinery. The main engines, auxiliaries, pumping arrangements, windlass and steering gear tried under steam and found satisfactory.

Starboard and centre boilers examined internally and all boilers examined under steam and found satisfactory.

It is submitted action be deferred and the Genoa Surveyors requested to advise this Office when the work of demolition has been commenced.
