Lloyd's Register of Shipping.

Port LONDON.

10th January, 1936.

This is to Certify that I have

Surveyed the S.S. "CITY OF KHARTOUM", 6132 tons gross, of North Shields, whilst lying afloat at Southend with a view to her proceeding as a classed vessel to Italy for demolition,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have **Recommended** that she be continued as Classed for contemplated voyage via a North European port to an Italian port, where the vessel is to be broken up,

being fit to carry dry and perishable cargo.

W. Ewing

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Committee or any Member thereof, or of Surveyors, or other Officers or Agents of the Society."
