21st June, 1935.

Dear Sirs,

With reference to the classification of this Society's Register Book of the steamer "PURLEY OAK", I have to acquaint you I am informed by the Rotterdam Surveyors that this vessel is still laid up at that port, and in view of the fact that another Special Survey became due at the end of April last, the Committee must ask you to arrange for a General Examination to be held, in order to entitle the vessel to retain her class in the Society's Register Book. I shall therefore be glad if you will kindly let me know in due course, what steps you propose taking in the matter.

I am, Dear Sirs,

Yours faithfully,

Copy to Rotterdam.
Clerk to the
Classification Committee.
