No. 22293

**For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.**

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

Survey

2nd S.S. No. 3

When due

4. 31

At due 9.30. partly held.

Again due 6.32.

(2d due 6.32)

The 2nd S.S. No.3 became due 4,31 and no part of the survey has been held.

The vessel being laid up the Owners have furnished the usual undertaking.

With a view to the maintenance of the vessel's class satisfactory general examination was held, as required, in July last.

In reply to enquiry the Rotterdam Surveyors write that the vessel is still laid up at that port.

The year of grace expired 4,32.

It is submitted for consideration whether in view of the Special Survey being 3 years overdue the Owners should be asked to arrange for the vessel to be generally examined, attention being drawn to the general examination, as above.
