

WOKINGHAM COPY.

16th September, 1940.

Dear Sirs,

With reference to your report No.50834 respecting the steamer "MALRIX", I shall be glad to learn whether any arrangements were made for the electrical installation to be examined and tested in completion of the Second Special Survey No.1 as recommended in Hull report No.50694. It is considered that information on this point should have been inserted in your machinery report seeing that the Year of Grace expired at the end of July last and the survey is otherwise complete.

I am, Dear Sirs,  
Yours faithfully,

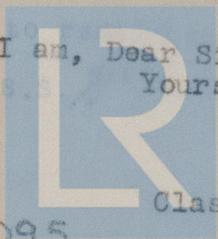

The Surveyors,

HULL.
