Ans 2.6.14
S/S "CARNARVONSHIRE" O.N. 132049

Dear Mr Mares,

On the copy of the freeboard computation for the above named vessel it is observed that 1" has been deducted for $2\frac{1}{2}$ " sheathing on poop bridge and forecastle. This is not understood, ~~unless~~ the sheathing is fitted in these erections. If this is the case will you please correct the form as necessary.

Yours faithfully,

Alfred Mitchell
