

RD REPORT on the

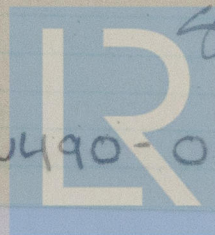

S/S ATLANTEN

Convention ordinary and timber deck cargo freeboards have
inputted on the basis of the information supplied on
C. 11 and it is submitted the forms be sent together with
freeboard certificates and copies to M^r Bulow.

Bulow should also be informed that the freeboards
inputted under the Convention are not so favourable as
already assigned and it is therefore concluded that
owners will desire the existing freeboards, and the
scale has been prepared accordingly.

Under Convention

Ordinary and timber deck cargoes
