The Secretary  
London.

Sir.  
In reply to your letter of the 26<sup>th</sup> inst having  
reference to First Entry Report No 69649 on the S/S "Aungmyan"  
I have to state:-

(1) Four web frames are fitted in the engine space  
as shown on the approved plan.

(2) The stiffeners to the After Peak Bulkhead are  
9" x 3" x 5" B.A. and this bulkhead is extended to the upper  
deck, as shown.

(3) The free bars on the transverse beams to the  
second deck are 7" x 3 1/2" x 5" as shown on the approved Midship  
Section.

(4) The bulkhead shown on section 33 at the  
centre and 30 at the sides, should be included in the  
number of bulkheads fitted, making this number 15.  
instead 14 as stated.

The first Entry Report as been corrected accordingly.  
and the errors are regretted.

I Am  
Sir

Your Obedient Servant.

Alex. Munro
