Dear Sirs,

With reference to my letter of the 7th November last respecting the steamers "TRAIER" and "TYNESIDER", I beg to acquaint you that the Committee have again had the cases before them today, together with letters from the Society's Surveyors at Newcastle-on-Tyne, intimating that the vessels are laid up indefinitely there.

As you are aware the year of grace allowed for the Special Surveys expired in July and August last respectively, and in the circumstances I may say that the Committee will be agreeable to the vessels' classes in the Register Book remaining undisturbed for the present whilst they are laid up, subject to the conditions set forth on the enclosed forms of undertaking which I shall be glad if you will kindly sign and return to this Office in due course.

Duplicate copies of the enclosed forms are attached for your files.

I am, Dear Sirs,
Yours faithfully,
