Your Ref: TEB/DA.

17th August, 1933.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 15th instant having further reference to the case of the steamer "TRADER" and may say that a report has been received from the Society's Surveyors at Newcastle-on-Tyne that the Boiler Survey has been completed.

As regards the request contained in the final paragraph of your letter for a further extension for dealing with the overdue Second Special Survey No.2, I am directed to say that the Committee regret they are unable to make any further concession than that already agreed to in my letter of the 9th instant, namely that the Special Survey must be carried out during next month, when the year of grace, allowed by the Society's Rules, will have been exceeded by two months.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
