Dear Sir,

S/S "TRADER"

We are very much obliged for your letter of the 9th inst., and to your Committee for favourably considering the case of the S/S "TRADER".

This steamer has finished her Boiler Survey and a first class Boilermakers job has been done to the Boiler at a cost of about £160.

Whilst thanking you for agreeing to postpone the Survey, may we suggest that if the steamer is favourably reported on as to her general condition that you will be good enough to give us a little longer extension if only on account of the money expended.

Yours faithfully,

Thomas Edward Brown
