Dear Sirs,

With reference to the classification in this Society's Register Book of the *steamer "Lough Fisher"* I am directed to acquaint you that the Committee have had before them a report from the Society's Surveyors at *Glasgow*, on the vessel's machinery, from which it appears that *in view of the condition of the screw shaft liner*

it is considered that *the same* should be *renewed under* the inspection of the Society's Surveyors before the end of *October, 1937*; and the Committee have decided that the continuance of the vessel's character in the Register Book shall be subject to the due fulfilment of this condition.

I am, Dear Sirs,

Yours faithfully,

*Clarey*

Clerk to the Classification Committee.
