The Secretary,

LONDON.

Dear Sir,

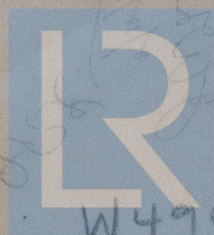

We beg to acknowledge the receipt of your classing letter of the 16th inst. on the steamer "SIRI", Gothenburg first entry report No.3223, the contents of which have been duly noted.

In future cases we will submit the diameter of the shafting for approval, before the work is put on hand, for all engines where the ratio of the area of the cylinders is in excess of that mentioned in Section 18 Paragraph 5 of the rules. It is regretted that this was not done in the present case.

I am, Dear Sir,

Yours faithfully,

V. Rulow
