Mr. H. S. Darkin,
"FORTHBRIDGE",
Ocean Shipping Co. Ltd.,
Vancouver, B. C.

Sir:-

At the preliminary examination for annual freeboard
held on Monday, December 16th. at about 10:00 A. M., the
Officer took note of our recommendations, and a copy of
list was handed to you personally at this office on Tuesday.
A copy of this list is again enclosed.

When I visited the ship this morning I found the
repairs under way, but not yet completed.

I understand that you are moving to New Westminster
this afternoon, and it will be necessary for me to see the
repairs completed before I can endorse the freeboard certificate
copy.

I shall be glad if you will advise me when these
repairs are ready for examination.

I strongly recommend, particularly in view of the
Board of Trade circulars to Masters and Owners, that a new
hand wheel should be fitted in place of the broken wheel on the hand
operating gear and the gear tested.
