Dear Sirs,

S.S. "FORTHBRIDGE".

We have your telegram of this morning advising the receipt of a cablegram from your Vancouver Surveyor that in order to pass this vessel for her Annual Greenboard Survey he requires the hand steering gear to be repaired.

We had as a matter of fact already heard to this effect from the Captain of the steamer, and as you will have gathered from our telegraphic reply we had already instructed this Master to conform with your Surveyor's requirements so far as concerns the repairs to the steering gear.

This should put the matter in order.

Yours faithfully,  
CROSBY, SON & CO., LIMITED.
