ENCLOSURES

20th December, 1935.

Dear Sirs,

I beg to inform you, in confirmation of my telegram today, that the Society's Surveyor at Vancouver has cabled this Office, stating that the Annual Freeboard Survey of your steamer "FOTHERIDGE" is being completed, adding that the hand steering gear requires to be repaired and the Master desires your sanction, presumably before the repairs could be put in hand.

It was thought desirable therefore to telegraph you to this effect, and I enclose herewith a copy of my message in confirmation, together with an account for the cost of the same.

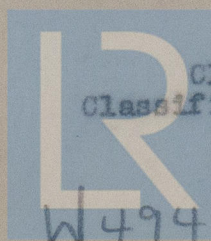

I have since received your reply, from which it is noted that the Master has been instructed by you to conform with the Surveyor's requirements regarding the steering gear.

Thanking you for your attention,

I am, Dear Sirs,

Yours faithfully,

Messrs. Crosby, Son & Co.,
 Id.,
Shipping Chambers,
WEST HARTLEPOOL.
