# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

13th April, 1933.

Dear Sirs,

I have to acquaint you that the Convention freeboard certificate in respect of the steamer "FORTHBRIDGE" expired on the 31st ultimo, ~~via~~ the expiration of the year of grace for the special survey No. 1, and as this survey has already been completed and the vessel assigned a record of "S.S.No.1-31", it is proposed to issue fresh certificates, ~~on the~~ receipt of a report stating that the conditions of assignment are still complied with.

The Owners have informed the Hartlepool Surveyors that this vessel is ~~now~~ in the Tyne where the requisite survey can be carried out and I shall therefore be glad if you will give the case the necessary attention.

I may add that no fee should be charged for the survey in connexion with the issue of fresh certificates in this instance.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
NEWCASTLE ON TYNE.
