

S.S. "FORTHBRIDGE"

It is submitted the Owners be informed that the Freeboard certificate which was issued to them in September last, and which is now in force, expires on the 31st March. On that date a new certificate must be issued, and this certificate, in accordance with the instructions issued by the Board of Trade, and in line with the procedure decided upon by them, is issued as the result of a survey, and will be valid until the 31st March, 1937.

The procedure of issuing a short-term certificate, as in this case, is taken to suit the convenience of Owners, and in view of the special circumstances which obtain in these cases, the survey now required for the renewal of the Convention certificate will relate only to the general conditions of freeboard assignment, and will not delay the vessel in any respect, and no fee will be charged.

The Owners might be requested to state when and at what port the examination can be made.
