Dear Sirs

S.S. "FORTHBRIDGE".

We are in receipt of your letter of the 14th inst, with reference to the freeboard certificate which you state expires on the 31st March.

We beg to point out that the new freeboard was only assigned in September 1932 (six months ago) and we cannot understand why it should be necessary at this early date to again require verification.

We request that you reconsider this matter and issue to us a fresh certificate valid up to the 31st March 1937 without further Survey, and oblige.

Yours faithfully,

Superintendent.
