Dear Sir,

s.s. "Gloucestershire".

We duly received your letter of the 9th inst., ref. "M", advising us of the freeboard assigned to the above vessel by your Committee, which is quite satisfactory and for which we are obliged. We are marking it on the ship's side at this port, and have advised your local surveyors that it will be ready for their inspection to-day, and they no doubt, will promptly report the matter to you.

Yours faithfully,

For HARLAND & WOLFF, LTD.,
