

Lloyd's Register of Shipping,

49, Queen Square,

Bristol, March 23rd, 1925.

Dear Sir,

I am advised by the Owner's Superintendent that the S.S. "AUSTRALIA" No. 63859 in the Register Book is arriving at this port on the 25th instant for dry docking, and also that the vessels requires to be measured for fresh freeboard certificates, part of which has been done elsewhere, but no information can be obtained regarding same, and I shall be glad if you will kindly furnish me with any particulars which you may have.

I am, Dear Sir,

Yours faithfully,

per pro John W. Gwynne

The Secretary,

LONDON.
