

S.S. "GOTHIC"

-1 AUG 1933

1. The hatch covers of the cargo and coal hatchways made efficient to the Surveyors' satisfaction.
2. The engine room skylight glasses and the sidelight glasses renewed where necessary.
3. Efficient means of closing provided for the ventilator coamings and air pipes by filling wood plugs and canvas covers.
4. Suitable provision made for rigging lifelines which are available for use in any part of the ship which might have to be used by the crew in the regular working thereof.
5. The fastenings of the doors in the poop bulkhead and exposed machinery casing on the bridge deck renewed to the Surveyors' satisfaction.

The carriage of timber deck cargoes not required.
