2nd September, 1936.

Dear Sirs,

With reference to the 3rd Special Survey No. 2 which became due at the end of July, 1935 on the steamer "AMTICRAIG", I have to acquaint you this vessel was drydocked at Falmouth in January last and a proposal to carry out the inspection within the year of grace was agreed to.

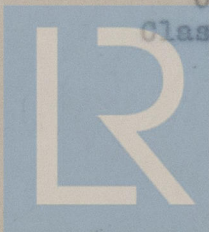

The vessel has now been purchased by Messrs. The Sea and Land Securities, Ltd., of this city, who have furnished the usual undertaking and they are proposing to move the vessel from ~~Falmouth~~ ^{Hayle} to Appledore. In reply they have been informed that the Committee have no objection to this procedure and I shall be glad if you will keep the case in mind and advise me promptly should any fresh circumstances in connection with this vessel come to your knowledge.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
CARDIFF.
