28th August, 1936.

Dear Sir,

I beg to acknowledge the receipt of your letter the 27th instant following the interview I had the pleasure of having with you yesterday regarding the steamer "BERCRAIG".

In connexion therewith I may say that the Committee have again had the case under consideration to-day, and have taken due note of the remarks contained in this letter and also in yours of the 26th instant, from which they gather that there has been some misunderstanding on your part of the provisions of the Society's Rules in regard to the carrying out of Special Surveys.

I have also received a letter from the new Owners, Messrs. Sea & Land Securities, Ltd., and for your information I have to state that the Committee have agreed to the new Owner's wishes to allow the vessel's class to remain undisturbed upon their furnishing a letter of undertaking that all overdue surveys will be carried out before the vessel again goes into commission.

I am, Dear Sir,
Yours faithfully,

W. W. Chamberlain, Esq.,
