

S.S. "ABERCRAIG".

Mr. Metcalfe of the Board of Trade phoned this
ice today and stated that it has been reported by one of
ir Surveyors that this vessel was not in a condition for
eral service, but might possibly be permitted to make an
roved voyage to another British port for the purpose of
air or demolition.

He was informed that the vessel was laid up under
etter of guarantee and that it was understood that negotiations
sale were in process.

He stated that it was understood that application
been made to the Registrar of Shipping for transfer to the
and Land Securities, Ltd., of Lime Street, London.
