4th May, 1934.

Dear Sir,

I am in receipt of your memorandum of the 17th ult. relative to the steamer "MUNORLEANS", and in reply I have to say that in view of your intimation that this vessel is still laid up, the Committee will be agreeable to the Boiler Survey being postponed for the present.

I shall be glad if you will inform the Owners accordingly, and at the same time remind them that the vessel requires to be drydocked and the repairs referred to in New York Report No. 35001 effected before she is again placed in commission.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

James French, Esq.,

NEW YORK.
