Lloyd's Register of Shipping.

Port Buenos Aires.

22nd. February 1937.

This is to Certify *that I have*

Surveyed the steamer "ABGEUS", of Chios, 2357 tons net register, whilst afloat and so far as practicable, on account of reported grounding in the South Channel, on 13th. February 1937, when entering Port of Buenos Aires on voyage from Barry Dock, and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have Recommended that she be continued as classed in the Register Book, subject to examination in dry dock at the earliest opportunity.

being fit to carry her cargoes in safety.

M. G. Gyles

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
