st Report, No. **109,174** Port **Lon.**

odical Surveys, when held, must be reported in detail and seriatim in the terms of the Rules and items remaining to be completed. The Surveys should be summarised. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the replacement of Anchors or Chains is reported the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters regarding this case.

damage cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and to whom and why they were declined

Was a damage report made by anyone else? if so, by whom? ✓

PAIRS, OR EXAMINATION AS PER RULE, FOR Renewal of Boilers.

PAIRS, OR EXAMINATION AS PER RULE, FOR Renewal of 1200
 work done: - Old boiler removed, lined bottom plating, boiler stools & chocks

General Observations, Opinion as to Class, Recommendation, &c.:—

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon this survey, thus, for example:—"to remain as classed in the Register Book *without* fresh record of Survey;" "to remain as classed and to have record of survey, 1.38," or "to remain as classed and to have record of survey, 1.38, and the notations of ss No. 1-38."

"This vessel is eligible in my opinion to be retained as classed without fresh record of survey."
