Communications to be addressed to
THE SURVEYORS.

Sir,

With reference to the steamer "SONNENFELS" No.72673 in the Register Book, we have been asked by the Association Maritime Belge, the new managers of this vessel, what classification the vessel has in this Society's Register Book. They were informed that she was classed 100 A- and that the Figure 1 would be added when the anchors and cables had been examined. They wish to know if she is now classed 100 A- or 100 A1.

We are, Sir,

Yours faithfully,

The Surveyors,
