

14 AUG 1936

S.S. "KINGSBURY"

The 3rd S.S.No.1 became due 10,34, and a proposal to carry out this survey within the year of grace was agreed to. In October 1935 the vessel was acquired by the E.R.Management Company for re-sale for breaking up. This firm signed a form of undertaking and stated that possibly they might later require a certificate to enable the ship to move to a port other than Glasgow for breaking up.

The vessel has remained laid up at Glasgow, but a statement has now appeared in the Shipping Press to the effect that the vessel has been sold to Scottish Shipbreakers and will be broken up on the Clyde.

It is submitted that the vessel might be posted as "To be broken up".
