13th January, 1936.

Sir,

With reference to your memorandum of the 8th instant relative to the steamer "KINGSBURY", which is now lying in the Paces Dock at your port, I have to inform you that the new owners, Messrs. Evans & Reid Ltd., of Cardiff, have been communicated with and state they purchased the vessel to re-sell for breaking up purposes.

It would appear at the present time that negotiations being carried out to sell her as she lies at Glasgow.

I shall therefore be glad if you will arrange to be in close touch with the case and let me know promptly the event of any steps being taken to move the vessel to another port.

I am, Dear Sir,

Yours faithfully,

Clerk to the
