

28.10.35

Received from Chief Ship Surveyor 29 OCT 1935

"KINGSBURY"

Rpt. Nwc. No. 93082

Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also any exceptional features in connection with the case, so that the Classing Committee may have all the salient points for their consideration. —Extract from Sub-Committee's Report, 24/5/32.

The 3rd S.S.No.1 became due 10,34 and a proposal to  
at same within the year of grace has been agreed to.

A proposal of the Owners to make a round trip to the  
on the 8th instant  
has been agreed to/provided the vessel be generally  
and favourably reported upon.

The Newcastle Surveyors now report a satisfactory  
inspection made of the vessel afloat, including the steering gear and

The Owners now write that the steamer is loading out  
of coals from the Tyne to Oran and is chartered with a cargo  
of coal from Bona to the Clyde. They add that the vessel has been  
ready for the delivery on completion of discharge.

The year of grace will expire at the end of the present

It is submitted action be deferred for a short time  
Owners asked their intentions regarding the Special Survey.
