3rd August, 1933.

Sirs,

With reference to your letter of the 28th January relative to the steamer "LONDON CITIZEN", I beg to inform you that this vessel has now become due for 2nd Special Survey No.1. It is observed from the Shipping Papers that the steamer is still laid up, and in the circumstances it is assumed that it is your intention to have the Special Survey carried out before she is again placed in commission, but I shall be obliged if you will kindly let me know whether this is the case.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
