ANSWER.

Lisbon, 8th September 1936

The position in regard to this vessel, as stated in my letter of the 21st July, remains unchanged.

It is assumed that the Portuguese Shipbreakers referred to are the present owners, Messrs. Andrade & Co., who have to day informed me that they are still in negotiation for the sale of the vessel and that this office will be advised when this is effected or if they decide to have the vessel broken up.
