Action in this case has been deferred from time to time in view of the vessel being laid up at Lisbon in the hands of the Court following the Bankruptcy of the Owners.

The Lisbon Surveyor now writes that the vessel has been sold by the Receivers to Messrs. Andrade & Co., of Lisbon, who have informed him that they are trying to resell the vessel and that failing this she will be broken up.

The Surveyor adds that in the meantime they do not intend to carry out any outstanding survey, but that they will advise him of any further developments.
