Boiler Survey due 5, 36.

In November last the Lisbon Surveyor stated that the Owners proposed to make one or two voyages to the Canaries and Morocco and hold the Special Survey towards the end of December or the middle of January.

In February last the Lisbon Surveyor wrote that the vessel was laid up at his port and was in the hands of the Court following the Bankruptcy of the Company. He stated that he had been informed by the Official Receiver that he was requesting the Judge to have the Special Survey carried out with a view to the vessel having a better value in the event of being sold.

"BEIRIZ".

-2-

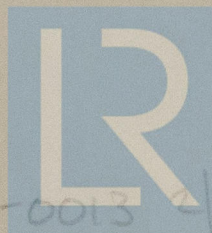

On the 27th March the Lisbon Surveyor wrote that the vessel was still embargoed and was at anchor up river.

The Lisbon Surveyor now writes that he has been informed by the Receiver that the Court has decided to sell the vessel as she stands, and that the reclassing will therefore be on the decision of the purchasers.
