 Survey Due 3rd Special Survey No.2 due 10,35. ca.

In November last the Lisbon Surveyor stated that the Owners proposed to make one or two voyages to the Canaries and Morocco and hold the Special Survey towards the end of December or the middle of January.

The Lisbon Surveyor now writes that the vessel is at present laid up at his port and is in the hands of the Court following the Bankruptcy of the Company. He states that he has been informed by the Official Receiver that he is requesting the Judge to have the Special Survey carried out with a view to the vessel having a better value in the event of being sold.
