B. SCULLARD,  
ENGINEER SURVEYOR.

"BEIRIZ" ex "WILLY"

Dear Sir,

I have to acquaint you that the above named vessel is now in this port and it is stated will be measured and examined by the Port Surveyors. Pending this Survey, the Freeboard report will not be examined by the Authorities.

In order to prevent the detention of the vessel, would you kindly forward to this Office the 4 Freeboard Certificates, for handing to the Authorities immediately the Report is approved.?

It would be well in this case to omit the vessel's tonnage as well as the date of issue in order that the Portuguese tonnages may be inserted on the Certificates.

I am, Dear Sir,

Yours faithfully;
