Ce. memo 14.7.49*

Date:— **May 6, 1949**

With reference to your letter of the 22nd and my reply of the 30th December last, I shall be glad to learn whether this vessel is still laid up and whether there is any change in the circumstances of this case.

L.R.

I attach a copy of a letter received from the Standard Oil Company (N.J.), from which you will observe that this vessel and their steamer ESSO CARACAS have been sold to the Boston Metals Company of Baltimore, Md. for breaking up purposes.

I am writing the Baltimore Surveyors with a view to their advising in due course when breaking up is commenced.
