The 1st SS

~~as proposed to carry out a further~~
the regards independent Savings, the
extension of class is fully stated
in endorsement dated 3rd inst.

In June ¹⁹³⁴ ~~last~~ considerable work
was reported in the cargo tanks
& ~~and~~ repairs and renewals carried
out as to permit of the vessels
efficiency being maintained until
June last.

The Ratt has now up a
further G.L. made & the
bulkheads & c in cargo tanks
found in such a condition
of such extensive repairs required
to permit a further extension of
6 months that the Owners
have decided to sell the
for trading up purposes.

But the record of "to be
broken up" might not be
inserted in the R.P.
