

s.s. "ERINOULA"

The Marine Superintendent for Mr. Matteo Scuderi, Shipowner of Catania, Sicily, called at this Office today and stated that it was desired to reclass this vessel, which has been salved and is to be dry docked shortly.

He was informed that such a survey could only be carried out by an Exclusive Surveyor, and that in these circumstances it would be necessary for the reclassification survey to be held by one of the Piraeus Surveyors, or for the vessel to proceed to Piraeus.
