ANSO.....

Dear Sirs,

s.s. "FORTUNATA" ex "Eregli"
(Built 1905). *re Eregli*

Italian Clients have asked us to ascertain the deadweight capacity of the above vessel, but we have been unsuccessful in our enquiries for the information would not appear to be in your earlier Volumes and the Builders, The Sunderland Shipbuilding Co., are no longer in existence - the Shipbuilding Corporation of Sunderland state that they do not know who has the records relating to the Yard.

If you can assist us, then we would be very grateful for the information and we take this opportunity to enquire if you have available a Capacity Plan showing the deadweight scale and what would be the cost of a photostat copy.

Awaiting to hear from you, we are,

Yours faithfully,

RADONICICH LIMITED.
