

COPY.

ENCLOSURE.

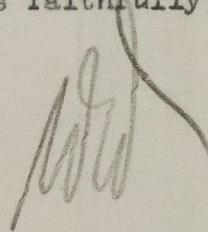

7th May, 1925.

Dear Mr. Roddis,

On the 29th February last new freeboard certificates were issued for the S.S. "PENSYLVANIE". These documents were sent to our Surveyors at Bordeaux, but as the vessel had already sailed they were returned to this Office, and were inadvertently cancelled. New copies were therefore prepared for issue to the Owners, but as the signatures were different from those on the certificates originally issued I have pleasure in enclosing a copy of the final certificate for your records, and you might kindly cancel the copy sent to you on the 17th March last.

With kind regards,

Yours faithfully,

A. Roddie, Esq.,
