

of No 653 building by Messrs Richardson Duck & Co

It is submitted the Middlesbrough Surveyors be informed that the Owners of the above vessel have intimated that they propose to close the lounge opening.

They should therefore give the case the necessary attention and arrange for the requirements of circular 1292 to be complied with.

The Owners should be informed that instructions are being sent to the Society's Surveyors to arrange for the necessary alterations with a view to the freeboards being assigned accordingly on the completion of the vessel.
