

TRACT FROM LLOYD'S LIST DATED 27-3-37.

---

**FIJIAN.**—Papeete, Mar. 24.—Panamanian motor vessel Fijian reported explosion in forehold and crew took to the boats in approximately lat. 16 S., long. 147 W. No casualties are reported.

—London, Mar. 25.—Forty seamen of the Panamanian motor vessel Fijian, who took to the boats following a fire on board while the vessel was in mid-Pacific, were able to return to the vessel after a skeleton crew had overcome the flames.—“The Daily Telegraph.”

—London, Mar. 26.—In reply to inquiry asking for latest news of motor vessel Fijian, Lloyd's Agent at Papeete cabled Mar. 25: Wireless message from Government vessel reports no signs of Fijian in approximate position indicated. Nothing known at Kaurua Island.
