ENCLOSURE.

27th September, 1921.

Dear Sirs,

I am in receipt of your letter of the 22nd instant together with a freeboard report for the S.S. "CRISTOBAL COLÓN", Messrs. La Sociedad Espanola de Construcción Naval's Yard No. 5.

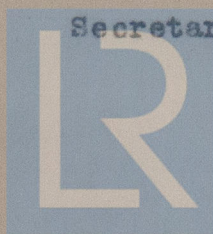

With regard thereto I have to inform you that before this case can be dealt with, full particulars of the erections on the upper deck are required. The particulars given on your report refer to the erections on the Shade deck, and these are not required for the freeboard computation.

I enclose herewith a sketch for your use, and shall be glad if you will fill in the dimensions required, and give particulars of any bulkheads between the upper and Shade decks.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
C A D I Z.
