Dear Sir,

I beg to acknowledge receipt of your letter of the 6th September 1935, respecting the Steam Tug "MACKINTOSH" of Bangkok, and as requested in your letter I have informed the Owners that a record of "Foundered 9.35" will be made against the Vessel's name in the Society's Register Book and her class expunged in accordance with the usual practice.

I was informed by the Owners, that this vessel was floated, and towed to this Port on the 1st January 1936.

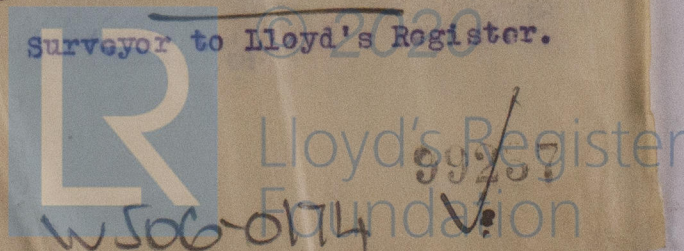

I have been informed by the Government Marine Surveyor, that the vessel is in a very badly damaged condition, but I have not been requested to make any Survey so far, as the Owners have not decided what they will do with the vessel.

I am, Dear Sir

Yours faithfully

*Thomas H. Pollard*

Surveyor to Lloyd's Register.

the Chief Ship Surveyor,  
and the Chief Engineer Surveyor.

Referred to Mr. Dyer. X
