st Report No. Port

Particulars of Examination and Repairs (if any) Boilers, BS & TS.

Medical Surveys, when held, must be reported in detail and seriatim in the terms of the Rules. State clearly the nature of Repairs, if any, and, in detail, the nature and extent of examinations and subsequent repairs. Repairs on parts of Machinery (the cause of which must be stated) should be separated from repairs due to other causes; and details being detailed in the body of the report, should be briefly summarised at the end of the report. State also the names and initials of any letters respecting this case.

Damage cases where the Surveyor has not made a special damage report he is required to state whether he has done so, and if so, by whom?

Has the Surveyor personally gone inside each Main Boiler separately and made a thorough examination at this time? Yes

Has the Surveyor personally gone inside each Donkey Boiler separately and made a thorough examination at this time? Yes

Has the Surveyor personally gone inside each Donkey Boiler separately and made a thorough examination at this time? Yes

Has the Surveyor personally gone inside each Donkey Boiler separately and made a thorough examination at this time? Yes

Has the Surveyor personally gone inside each Donkey Boiler separately and made a thorough examination at this time? Yes

Has the Surveyor personally gone inside each Donkey Boiler separately and made a thorough examination at this time? Yes

General Observations, Opinion, and Recommendation:—The machinery of this vessel, so far as seen, is in good working condition, and eligible, in my opinion, to remain as shown, and to have the record of BS & TS 7-37 made in the Register Book in the case of this vessel.

Survey Fee (per Section 29) £ 30
Special Damage or Repair Fee (if any) £ 10
Travelling expenses (if chargeable) £ 10
